Alex Morgan

Senior product designer

Lisbon, Portugal alex@example.com +351 912 345 678 example.com

Summary

Product designer with eight years in onboarding, payments and design systems for business software.
I turn research into shipped, measurable changes and leave teams with tools they keep using.

Experience

Northwind Labs

Mar 2022 - Present

Senior product designer - Lisbon

- Led the redesign of onboarding, lifting activation from 41% to 58% in two quarters.
- Built the design system now used by six product teams; cut interface defects by a third.
- Ran 40+ customer interviews a year and set up the shared research repository.

Harbour Studio

Jun 2019 - Feb 2022

Product designer - Porto

- Designed checkout and invoicing for 30 retail clients, raising completed payments by 12%.
- Introduced usability testing to every release and trained four junior designers.
